

Retatrutide 30 mg (RT30)

Janoshik Analytical / Report #171217

Results of the submitted sample

Measured content: 34.92 mg

Reported purity: 99.472%

Manufacturer listed in report: www.reta-peptide.com

Current inventory lot linkage: Not established by the supplied report

Scope and limitations

These values describe the sample submitted to Janoshik, not the guaranteed content or purity of every vial. The nominal content in the sample name is not a dosing instruction. This reference sheet is compiled by Global Peptide LLC; it is not a new laboratory certificate. The original report image is reproduced without modification on page 2.

Presentation limitation: This report covers a 30 mg Retatrutide sample. It does not document the 10 mg or 15 mg presentations.
